IN HONOR TO THE LAND OF SEVT

The drink **REASEVT** was created in order to introduce the Bulgarian Rosa Damascena to the whole world.

REA is the mother-goddess of the Olympic Gods, symbol of the Earth.

SEVT is Seuthes III, the great Thracian King, whose capital Seuthopolis lies beneath the waters of the Koprinka dam near the town of Kazanlak.

The kingdom of Seuthes is nowadays the Rose Valley. **REASEVT** is a tribute to the traditions, past and present, of the Rose Valley, where the oleaginous Rosa Damascena is grown.
